

Director's Trophy

For more than a decade, the Director's Cup has been awarded to individuals for their Can-Do attitude, for being excellent advocates for the game, for their contributions to the Club, for their work on behalf of the Club, for their expertise as players, and for their commitment to the game.

This year the decision was **unanimous** with the award going to **Dan and Phillipa!**

Now some of you may know that Dan and Phillipa won the cup in 2018 but they just never quit and have been described as the "heart and soul of the club for at least the last 15 years". As such, we wanted to recognize them yet again.

Dan is especially known for ensuring the club is a "friendly, safe place to play". He started the bridge courses at our club (including those for new directors), initiated special events such as the Day of the Dead with Phillipa and was one of the driving forces for our annual tournaments. And, of course, without his facility management, we might not have a club today.

Phillippa, with her heart of gold, brings the fun. Whether it is her entertaining emails or amazing desserts, she is a ball of energy who makes everyone feel welcome and supported. She is a one-woman force when it comes to the tournaments and arranging volunteers and the baked goodies that Arnprior is famous for.

Thank you, Dan and Phillipa, for everything you've done for our club!!
